HOUSE INFO

THE ELECTRICITY

The electrical power in the house comes from solar panels. It's more than enough for the refrigerator, the lights, phone chargers, TV and WiFi but You can't use hairdryer, hair straightener, blender, coffee maker and similar.

Please, turn the lights down whenever You don't need them.

WATER SUPPLY

Our beach house is in a secluded bay on the south side of the island and that means that we are not connected to water supply network. We have a water tank, so we kindly ask You to be a little careful about it. Try not to take long showers and be careful with water usage.

Also, the water from the tap in the house is not for drinking. We've stocked some water for You in the refrigerator.

WIFI

Network: MW40V_3FEC

Password: 96501168

WASTE & RECYCLING

The container for the mixed domestic waste is on the road to Gornje Selo (on the end of the uphill). You'll find the containers for plastics, paper and glass in Gornje Selo, near the shop.

HOUSE SURROUNDING

I'm sure that You've noticed that our house is surrounded by nature. Please keep the door closed and mosquito nets down whenever You are not in the house to keep unwanted "visitors" away. 😊

CHECK IN & CHECK OUT

We are not strict about check in and check out hours. Check in is usually from 2 PM, and check out about 10 or 11 AM, but if You want to come earlier or leave later than that please give us a call and let us know Your plans, tell us by which ferry You are leaving and we will agree where will You bring us the house keys on Your way back to Split.
